Dear Parent,

Today, we heard the story of Elijah (1 Kings 18). Your child has three story cards that we used to play a story sequencing game. You can use the text below with the cards at home.

o King Ahab thought his fake god had powers. He told everyone to worship his fake god. He built an altar to his fake god and shouted and shouted but nothing happened.

o Elijah trusted that God is the one true God and he wanted everyone to know. He built an altar and prayed to God. God heard Elijah.

o God sent fire down to Elijah's altar to show everyone that He is the one true God and has the power to do anything. Elijah trusted God, and we can, too.
