

BUILD

MAKE ROOM FOR MORE

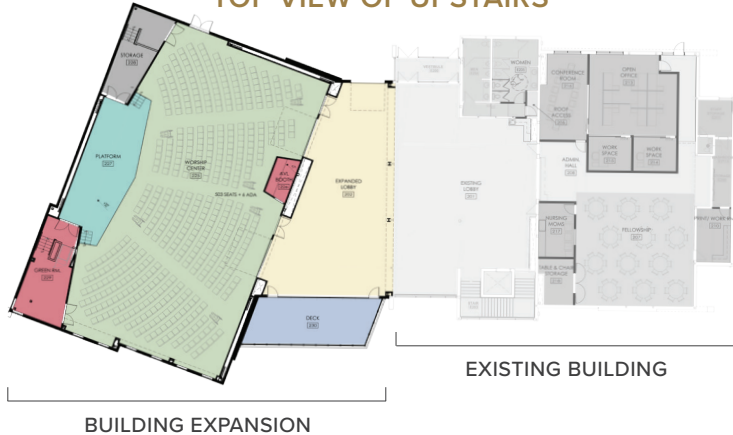

How do I get Involved?

Each of us who call Journey home are asking God what we can commit to give to the **BUILD** initiative over the next two years to make room for more.

It's Time to Build

Since the beginning of Journey we have been about taking steps... meeting people where they are and helping them take their next steps to follow Jesus.

Well, now it's time for us to take a massive step together as a church.

We always want to make room for more friends and more family, and it's time to do it again. The truth is, we outgrew our space awhile ago.

While our community continues to explode with growth, we also know from surveys that 90% of people have no connection with a local church. We have to make room to invite new people in.

Over the next few weeks we will lay out the **NEXT STEPS** we believe God is asking us to take as a church and what part you can play in this grand adventure.

It's a **BIG** leap but there is no such thing as faith without **RISK**.

Practically that means I'm asking you to pray like you've never prayed before, to show up at church, to attend **BUILD** events, and to step out boldly in faith.

I'm so excited about what's next for us!

Let's **BUILD** the Church and take the good news of Jesus forward. One step at a time. The best is yet to come!

God is building a home.

He's using us all—
irrespective of how we
got here—in what he is
building. He used the
apostles and prophets for
the foundation. Now he's
using you, fitting you in
brick by brick, stone by
stone, with Christ Jesus as
the cornerstone that holds
all the parts together. We
see it taking shape day
after day—a holy temple
built by God, all of us built
into it, a temple in which
God is quite at home.
