## How to H.E.A.R. (from God)

---

### Highlight

Get to a place where you can focus and read the daily Scripture passage several times. From the passage of Scripture you read, highlight one or two verses that stick out. Write them down, and even consider rewriting the verse(s) in your own words.

### Explain

Make some basic observations about the scripture you just read by asking the following questions. Why was this written? To whom was it originally written? What is the author trying to communicate? What does the Scripture passage teach me about God and humanity?

### Apply

Begin to think about how the Scriptures apply to your life. Ask yourself the following questions and spend some time writing down your thoughts. What do these verses mean today? What does this verse(s) mean for my life? How does this verse challenge my thinking and actions? What changes do I need to make in my life as a result of this passage of Scripture?

### Respond

Your response to the passage may take on many forms. You may write a call to action. You may describe how you will be different because of what God has said to you through the Bible verses. You may indicate what you are going to do because of what you learned. You may respond by writing out a prayer to God. For example, you may ask God to help you to be more loving, or to give you a desire to be more generous in your giving. Keep in mind that this is your response to what you have just read.
