Since the beginning of Journey, we have been about taking steps—meeting people where they are and helping them take their next steps to follow Jesus.

Once again it's time for us to take a major step together as a church. We are making room for more friends and more family.

It's a **BIG** leap but there is no such thing as faith without **RISK**.

Let's **BUILD the Future** together, and take the good news of Jesus forward. One step at a time.

THOUSANDS are moving into our community—many far from God. They need a spiritual home.

The **NEXT GENERATION** is facing anxiety, depression, and loneliness like never before. We must raise up leaders to guide them with truth and hope.

Around the **WORLD**, people desperately need what we so often take for granted—resources, hope, and the Gospel.

This is more than a building campaign.

This is a calling to make an **ETERNAL IMPACT**.

FINANCIAL STEWARDSHIP

Because of your generosity, lives are being changed every week as people take their next steps with Jesus. Your generosity isn't just funding a ministry. It's helping change lives.

Every number in this report represents more than a statistic. Behind every story is a person who was welcomed, a family that found community, a student who discovered hope, or a life changed by Jesus.

Journey Church is accredited by the Evangelical Council for Financial Accountability (ECFA), which requires high standards of biblical accountability, board governance, financial transparency, integrity in fund raising and proper use of charity resources.
